

Predictor

Name _____

Book _____

Meeting Date _____ Assignment: Pages _____ to _____

Predictor: Your job is to predict what you think will happen next in this story. After each prediction defend your reasoning. You should have at least three predictions: one should relate to the central protagonist, one should be a short-term prediction (what's going to happen next?), and one should be a long-term prediction (where's the story headed?).

1. Make a prediction regarding the central protagonist.

- Explain why you believe this:

2. Make a short-term prediction regarding the plot.

- Explain why you believe this:

2. Make a long-term prediction regarding the plot.

- Explain why you believe this:
